CLASS DESCRIPTION

Arts & Crafts Class (Offer in Fall 2023 & Spring 2024)

This is SPACE's signature art class. Students will create a variety of art projects utilizing various mediums. We encourage children to express themselves through imagination and art - originating a piece that is special and unique to them. Each artist will have the opportunity to work with various and unique mediums to create vivid and imaginative pieces of art. **Recommended grade: K+**
