Please note that camp enrollment is a commitment for the entire weekly session. SPACE **will not** be able to prorate fees. There will be no refunds granted after enrollment, unless it is due to a cancellation by S.P.A.C.E. S.P.A.C.E. reserves the right to refuse service to anyone.

MANDARIN CHINESE LANGUAGE CAMP

Ni Hao! One of our most popular summer camps at S.P.A.C.E.! This camp caters to children with all levels of experience and exposure to Mandarin. Campers will learn new vocabulary, useful everyday language, phrases, and sentence structure based on an exciting theme each week. Focus of these camps is to make learning “everyday” Mandarin FUN!

Grades: Incoming Kindergarten – 6th grade

SPANISH 101 LANGUAGE CAMP

This two-week camp is the perfect class for beginners! Campers will learn the basics of one of the most widely spoken languages in the world. Our native-speaking, experienced teacher, will lead daily lessons in Spanish and teach campers vocabulary, phrases, and sentence structure through guided fun activities, songs, and creative lessons. After completing this two-week camp, campers have option to continue another two-week Spanish camp to further their learning.

Grades: Incoming 2nd – 6th grade

SPANISH 102 LANGUAGE CAMP

For campers who have already been exposed to a Spanish immersion environment, this language camp can help students enhance their skills in speaking, listening, reading and writing. Our native-speaking teacher engages campers through various mediums including role-playing, storytelling, and creative learning! The children will all be performing in a play by the end of camp!

Grades: Incoming 2nd grade – 6th grade

CREATIVE ART CAMP

Artists will be using a variety of mediums to create their own unique masterpieces! Not only will artists learn technique, they will also be exposed to a myriad of information including art history, various styles of art, and renowned artists from the past all the way to modern times. This creative camp will give our future artists an eye-opening perspective and allow them to experiment with traditional and unique materials, and inspire them to create masterpieces with their imagination and hands!

Grades: Incoming Kindergarten – 6th grad

Week	Dates	Time	Art Topic
Week 2	6/17-6/21	9-11AM	Beautiful Nature
Week 3	6/24-6/28	9-11AM	Animation & Comics
Week 5	7/08-7/12	9-11AM	Animal World
Week 6	7/15-7/19	9-11AM	All About Food
Week 7	7/22-7/26	9-11AM	Young Designer

CROCHET & FINGER KNITTING – KNOW KNITS & KNOTS

For all of those interested in crocheting! This is the perfect beginners camp for those who want to learn a new hobby! During the week, students will learn the foundation of crocheting which include stitches of chain, single, double, and half double. After learning the basics, students will be able to create a masterpiece to take home!

Grades: Incoming 2nd – 6th Grade

SWIFTLY MAKE YOUR WAY SWIFTIES!

Hey Swifties! We have a summer camp with everything Taylor Swift. Get ready for singing, dancing, lyric song writing, bracelet making, and loads of glitter fun. This glamorous camp will definitely be a popular hit! Swifties will also create the cutest hair accessories and jewelry using different types of material!

Grades: Incoming Kindergarten – 6th grade

MUSICAL THEATRE – 5, 6, 7, 8! LET THE CURTIANS DROP!

Musical theatre is the perfect blend of singing, dancing, and acting where performers get to explore storytelling in brand new ways! This camp provides a creative outlet and welcoming community for students to grow! In this camp, students will learn singing techniques, different dance moves, and dabble in acting skills all culminating in a final performance for their friends and family! We will also play some theatre games and watch clips of musical movies to see what skills we can learn from professional performers! This camp is perfect for those who love Disney, singing and dancing, or those who have a lot of energy!

About the instructor: Maddie Grimes has been dancing for nearly 20 years and has been involved in musical theatre since 2013. She has performed in shows since the age of twelve with her most recent being The Music Man at Hope International University. Maddie is also a freelance choreographer and director, having worked on shows such as The Little Mermaid, Newsies, and Elf The Musical. Additionally, she also teaches tap and musical theatre dance classes to teens and adults. She is currently in school at Fullerton College pursuing her AA in Theatre Drama with the hope of opening her own children's theatre in the future!

Grades: Incoming 2nd - 6th grade

S.P.A.C.E. SIGNATURE THEME CAMP

Our popular theme camps are back this summer! These camps are all inclusive - they include educational lessons, strategy/planning for kids, arts, hands on-activities, fun games, creative thinking, presentation skills, and teamwork! Campers will be challenged, fascinated, inspired and have a BLAST all summer long!

Week 8	7/29-8/02	1 – 4pm	Creative Science
Week 9	8/05-8/09	1 – 4pm	Business Startup – Biz 101

* Week4: No camp of July 4th Thursday

Grades: Incoming Kindergarten – 6th grade

CSI/Spy/Secret Agent – Mission Accomplished!

Your mission, should you accept it, is to save S.P.A.C.E. from spies! Secret agents are mysterious, cool and clever. Campers will undergo a rigorous training routine to be the best spy they can be. They’ll be gathering evidence, sending secret messages and of course spying from a distance. Learn to solve riddles, puzzles and mysteries. Skills will be put to the ultimate test in S.P.A.C.E.’s own escape room! Sign up now if you think you can beat the clock!

We Love our Community – Let’s Give Back!

We love our community! During this camp, we will be supporting a number of nonprofit organizations in the immediate Orange County area. Campers will learn about various opportunities, ways we can support others and the importance of community! This is a great way for children to make a positive impact to those who are in need and learn about how we can help and care for others in our community.

Pets Galore – Caring for Our Animal Friends

Calling all animal and reptile lovers! Do you have a special heart from all different types of pets? Whether it be dogs, cats, hamsters, fish, tortoises, we will be exploring various types of popular and not so popular pets. We’ll deep dive into the different types of breeds and types. Learn about environments that allow them to thrive and grow. We’ll even take a look into nearby rescue shelters and learn more about what they do for all of these lovable animals!

Chocolate Factory

This Willy Wonka themed camp will be an exciting adventure for all who love chocolate! In this camp, campers will design a dessert shop and have a chance work on making different desserts using chocolate. Yummy!

Career Week – The World is Your Oyster

Do you have an idea of what you'd like to be when you grow up? This camp will introduce campers to a number of different careers. Campers will learn what it takes to be a veterinarian, chef, teacher, YouTuber, artists, and more! Campers will also explore famous people in these professions and participate in fun activities and projects!

Cooking – Nailed It!

Back to popular demand! Calling all future iron chefs, roll up your sleeves, put your chef hat on, and tie that kitchen apron on! We're going on a cooking spree! Learn to prep, cook and clean up in the S.P.A.C.E. kitchen. This summer we will focus on Asian and Latin America fusion. Our junior chefs will be making a variety of delicious, healthy and popular dishes. This is the perfect hands-on camp for children who want to learn more about healthy ingredients and how to prepare delicious dishes!

World Explorer – Ships Ahoy!

Have you ever wanted to travel the world to explore beautiful, mysterious sites such as the Seven Wonders? Have you ever been to the country sides and cities of Europe, the beautiful beaches in Southeast Asia, or the exciting city life in Asia? Do you want to go on a safari to learn about the animals in Africa? Let's get on an airplane and explore all the possible places we can travel to and start a dream bucket list! Campers will not only explore different continents of the world, they'll participate in educational group projects and fun activities with other fellow campers!

Creative Science

Get ready for a full week of wacky science jam-packed fun! Campers will explore plants and animals in a fun and cool way! Our little scientists will also learn about all things geology including our earth, volcanoes, and a variety of cool rocks and minerals. To top it off, this hands-on camp will have a variety of interesting and educational experiments and mini projects.

Business Startup – Biz 101

Calling all entrepreneurs! Campers will be putting on their business hats and coming up with a unique product or service, develop marketing and pricing strategies, learn about distribution, manufacturing, sourcing, management and how to give sales pitches. This camp will provide students with opportunities to get creative and at the same time practice public speaking skills!
